Italian Wedding Package

If every daydream about your special day revolves around a warm reception and amazing food...

Then an Italian style wedding at Cala Bella would be perfect for you. In an Italian wedding, the reception is the most memorable part as it combines two important elements: incredible food and celebration with family and friends. Our Italian wedding package, hosted at Cala Bella, honors this tradition to create an unforgettable wedding day.

Let us design your ceremony and reception around the theme and ambiance you desire for your special day. Perfect for impressing an intimate gathering of 75 guests or less, the package includes an hors d'oeuvres reception, four-course dinner, and a spectacular, wedding cake. Champagne toast with dinner is included. After exchanging vows in an outdoor ceremony, walk with us through the customizable daydream reception that is the "pezzo forte" of our Italian wedding package.

Schedule of Your Special Day

APERITIVO/COCKTAIL HOUR

Vows have been exchanged and now guests are hungry. Receive guests in your own private lounge at the Cala Bella Bar with hot and cold hors d'oeuvres complete with a player piano.

INSALATA/SALAD

Pictures are done and guests have enjoyed tasty apertivos. Now invite them to take their seat and engage in the formal part of your reception—the four-course dinner. Start guests with a traditional Italian salad like a Caesar or a caprese salad of greens tossed with sliced mozzarella, tomatoes, and balsamic vinaigrette.

CORSO DI PASTA/PASTA

Pasta and Italy are synonymous with each other. Traditionally pasta is served before the main course.

PORTATA PRINCIPALE/MAIN COURSE

Our diverse menu provides many options when it comes to Italian cuisine, from the more familiar chicken marsala to a petite Fontina filet paired with baked sea bass.

DOLCE/DESSERT

End your four-course dinner with a classic Italian cookie plate and a beautifully decorated wedding cake. Coffee service is included.

LA CELEBRAZIONE/ THE CELEBRATION

Everyone is now well fed and ready to dance the night away! Enjoy your family and friends' company in this special moment. We help handle the finer details so you can focus on your first dances, toasts, and all of the wonderful memories surrounding your wedding.
