

# You've Got a Message. PSAV Makes It Last.

Audiovisual Services and  
Event Technology

## ➤ We're your single point of contact

We know that planners prefer a single contact for all their event technology needs. Using multiple off-site vendors, while trying to coordinate with hotel services, will make your job overly complex. And, it increases the chances of something being overlooked for your show. With PSAV, there's someone on-site at the property every day, acting as your single point of contact and hotel liaison.

## ➤ PSAV seamlessly integrates with the hotel

PSAV works with you as part of the hotel team, with intimate knowledge of the property's meeting space, operations and staff. We know screen sizes, sightlines and lighting levels to make sure everything works smoothly. PSAV knows the small things that make a big difference for each location.

## ➤ On-site advantage

And because PSAV is a seamless part of the hotel team, you have the advantage of a single master bill from the hotel. We'll make your meeting a success, and we'll make it easy for you. Whatever you need, whenever you want it, we'll be there to support you throughout your event because everything is just down the hall.

## ➤ Valuable tools to help plan your meeting

Want to see how your meeting space can come alive? Ask our team for examples of past events we have supported at the hotel. As your complete Partner in Show, PSAV offers valuable tools like stage design and custom renderings to help make your meetings efficient and memorable. We combine creativity with the latest event technology to give your meeting the impact necessary to make your message last. To learn more, ask your PSAV representative.

## ➤ We focus on peace of mind

We're the only company in the industry to use Maritz Research, an independent, third party organization, to measure our customer satisfaction. We are always looking to improve our service, get ideas for new services, and hear from you on our team's performance. With PSAV, whether your meeting is large or small, you get a show business experience every time.
