SPECIAL OUTDOOR EVENT PERMIT (continued)

***NOTE:** The site plan must include the following and **be to scale or dimensioned**

1. Show all locations of any fire hydrants on the property or any fire department connections to the building on the property.
2. Please describe any stage to be used. If building the stage, we require engineered approved plans. If a stage is being rented then most companies have the specs on their stages.
3. Show placement of all tents, tables, booths, etc.
4. Any area to be blocked off prohibiting vehicles and emergency equipment.
5. Explain how the area will be closed off to traffic and if closing the area show all entrances and exits.
6. Type of barricading to be used.
7. Parking area for attendees.
8. Submit a notarized letter from the property owner.
9. Please note if security, either private or law enforcement will be on site.
10. Please submit a copy of your alcohol permit if required.
