Production & Exhibit Rules and Regulations

1. All groups having exhibits must use a Drayage Co., a Decorating Company or an Exhibit Company, for booth or tabletop exhibits at Rosen Shingle Creek. The Orange County Fire Prevention Code must be adhered to and a plan submitted to the Orange County Fire Department Fire Marshal, no less than 30 days prior to the show or exhibit. All permits and diagrams approved and signed by the Orange County Fire Department must be submitted to the Convention Services Manager before setup takes place.

2. Production Companies must adhere to the Orange County Fire Prevention Code. Production Company must submit a plan and permit to the Orange County Fire Department Fire Marshal, no less than 30 days prior to the show. All permits/diagrams approved and signed by the Orange County Fire Department must be submitted to the Convention Services Manager before setup takes place.

3. The Orange County Fire Department may require a fire watch for certain productions, exhibits, laser or pyrotechnic shows. A minimum of 10 days notice is needed to order a fire watch from the Orange County Fire Department. Orange County Fire Department requires a minimum of a 4-hour fire watch, plus an hourly fee for each hour thereafter. Fire watches for pyrotechnics (including fog/haze machines) are only permitted inside the Gatlin, Panzacola and/or Sebastian Ballrooms. They are not permitted in Butler, Conway, Sandlake, foyers and/or breakout rooms.

4. Due to limited storage, Rosen Shingle Creek cannot accept any drayage, packages, or exhibits for an Exhibit / Production Company or client. Please make arrangements for pre/post shipping, drayage handling, and storage with the Exhibit / Production or Decorating Company handling your event.

5. All exhibit and production space, loading docks, and dumpster areas must be cleared and returned to the same condition as it was given to the Production/Exhibit Company on set up day. It is the customer's responsibility through the Exhibit/Production Company to provide appropriate trash receptacles/dumpsters. Arrangements can be made through Waste Management at (407) 788-0800.

6. All items such as forklifts, crates, garbage, etc. must be removed from Rosen Shingle Creek by the designated ending time on the teardown day. Rosen Shingle Creek will not be held responsible for any damage or loss of equipment left on site.

7. All hazardous materials and chemicals that will be brought into Rosen Shingle Creek or generated on property through a function must have a “MSDS” sheet on file with the Convention Services Manager prior to delivery and must be pre-approved by the Convention Services Department. The Customer or Exhibit / Production Company is responsible for removal of the waste from Rosen Shingle Creek. Such items include, but are not limited to, medical waste, paints, oils, adhesives, cleaning chemicals and solvents. If hazardous waste has been left behind from a function, the customer/group will be contacted to return to the property to retrieve the waste. Rosen Shingle Creek will not be able to dispose of the waste for the customer/group, as the necessary documents and shipping manifests must be signed by the generator of the hazardous waste.

8. All forklifts or any other equipment used in the exhibit areas, the loading dock or Ballrooms must be battery or propane powered. All tires must be unmarked or covered. Tires must be approved by Event Services Manager prior to use. Exhibit / Production Companies must provide their own air lifts. No equipment can be stored inside of the hotel, including meeting space and service areas. See the Event Services Manager for assistance. All powered truck operators (such as forklift, powered pallet jacks, etc.) must carry their certification card at all times. Shingle Creek reserves the right to ask for and review certification cards.

9. The Exhibit/Production Company is responsible for the safeguard of usable carpeted areas for exhibits, production, load-in and load-out. The use of Poly-Tak, Visqueen, plywood, over-lay carpeting, or similar materials is required in order to ensure the protection of the carpet. For Production/Rigging needs, the Hotel can provide all Poly-Tak and charge the customer's Master Account or Production Company accordingly. NOTE: When using fork lifts in the Ballrooms, plywood MUST be laid on top of Poly-Tak or Visqueen type of protection materials. All Exhibit & Production companies must place down gaffing / vinyl tape prior to double sided tape being adhered to hotel carpets, risers, or any other areas permitted by the hotel staff.

10. Rosen Shingle Creek does not provide such miscellaneous items as, but not limited to, chairs, tables, skirting, ashtrays, punch bowls, china, waste paper baskets, etc. to exhibitors. Such items must be provided by the Exhibit Company.

11. The cleaning of the exhibit areas during a show, booth or tabletop is provided by the Exhibit Company, not the Hotel. Due to fire regulations, crates or other items cannot be stored in service areas.

12. All Exhibit / Production Companies are to check in and out with the Event Services Manager on duty. A walkthrough of the production or exhibit area is required with the Event Services Manager prior to load-in and after load-out. The Event Services Manager may be reached or paged through the Hotel operator.

13. Smoking is not permitted in any of the service hallways or public areas by any Exhibit or Production staff. This includes the loading dock and Hotel employee cafeteria.

14. The customer is responsible for any charges or damages an Exhibit / Production Company or outside contractor incurs while in the employ of a customer. The customer will be notified of any damages immediately.

15. Truck and trailer parking is in a designated area, please consult your Convention Services Manager. Unattended trucks and trailers are subject to towing at the owner's expense if not parked in designated area.

Production & Exhibit Rules and Regulations

16. Rosen Shingle Creek is not responsible for the security, theft or damages of any production or exhibit equipment. This applies to materials or equipment owned by the Exhibit / Production Company, its staff members or attendees. Security is available through the Hotel at a fee to the customer or Exhibit / Production Company.

17. The Hotel’s in-house audiovisual company is Presentation Services Audio Visual (PSAV). Only PSAV has access to the in-house sound system; therefore, PSAV reserves the right to charge outside Audio Visual vendors patch fees, and where applicable, labor fees accordingly for the use and maintenance of the Hotel’s sound system.

18. All rigging must be done exclusively by Presentation Services Audio Visual (PSAV). All major ballroom production set-ups must be approved by the Fire Marshal. The customer must submit an approved copy of the event’s floor/staging to the Convention Services Manager no later than 14 days prior to the convention/event date.

19. All production cabling and/or “snakes” must be flown from the ceiling above passageways (exit areas). Due to safety risk, “bumblebee” type ramps are not permitted across passageways (exit areas); all cabling locations must be approved by the Hotel. In addition, all approved floor cabling must be taped down securely with gaffing and caution tape.

20. PSAV Power Distribution is Rosen Shingle Creek’s exclusive electrical contractor. PSAV Power Distribution will provide all electrical needs including, but not limited to, production, audiovisual, computer sets, tradeshows, utility services and special events. All power cords (including extension cords) must be provided by PSAV Power Distribution.

21. Lighting remotes are available for production use at a fee of $100.00 per day. An authorized production company representative must sign the Hotel’s Lighting Remote Agreement prior to receiving the remote. Damages and/or un-returned remote controls will result in a $3,500.00 fee. NOTE: If customer does not approve the charge to the master account, the Production Company will be required to pay for the usage of this equipment.

22. A Load-in / Load-out Request Form must be completed and returned to the Hotel Convention Services contact 14 days prior to the group’s load-in date. The Hotel Convention Services Manager will provide the form upon request.

23. The Exhibit / Production Company is required to provide Rosen Shingle Creek a Fire Marshall approved digital CAD drawing of the production/stage requirements (including stair locations) and/or the exhibit layout 14 days prior to the group’s load-in date. Productions and/or Exhibits without CAD drawings provided to the Hotel will not be permitted to load-in.

24. The customer is responsible for the removal of all decorations; however, the use of confetti is not permissible. The use of air cannons are not permissible in the ballrooms or function rooms. Due to the sensitivity of the Hotel’s Fire Life Safety System, helium balloons are not permitted in the Pre-function areas. Helium balloons that are inside the ballrooms must be deflated and/or removed at the end of the function by the Group. If a balloon is released into the Pre-function areas and/or Ballroom ceiling grid area(s), fees will apply for its removal. Should the Fire Life Safety System be activated, it will result in a $3,500.00 charge.

25. Podiums/Lecterns and air walls: No signs, banners or any similar items are to be affixed to Hotel lecterns and air walls. The Hotel will assist with requests if feasible. In addition, any defacing of lecterns or air walls such as nail, screw or drill holes, scratches, Velcro markings, or other damages will result in damage charges to the group’s master account.

26. Riser and Stair Railings: Per Orange County Fire Code, riser stairs and risers must have railings; and riser railings are required on the sides and rear of the staging/risers. It is Company Policy and it is strictly enforced that the Hotel risers are not to be stacked or placed on top of each other (this includes drum risers). Should Production Company require stacked staging, they must provide all staging.

27. Insurance: The undersigned agrees to provide insurance ($1 million each in Auto, Workers Compensation, and General Liability) that is acceptable to the Hotel and shall name Rosen Hotels and Resorts, Inc., and its affiliated entities as additional insured on its General Liability insurance. The general liability policy and workers compensation policy shall contain a waiver of subrogation in favor of Rosen Hotels and Resorts, Inc., and affiliated entities. The Certificate of Insurance (COI) must be sent to your Convention Services Manager at least 14 days prior to load-in.

28. Indemnity: The undersigned shall indemnify, defend and hold harmless Rosen Hotels and Resorts Inc and its affiliates and subsidiaries, and their respective directors, officers, employees, shareholders, agents and representatives (collectively, the "INDEMNIFIED PARTIES" and individually an "INDEMNIFIED PARTY") from and against any and all claims, damages, losses, costs and expenses of any kind, (including reasonable attorney fees and costs incurred by an INDEMNIFIED PARTY) arising out of or resulting from the use or occupancy of the Hotel Premises by the undersigned, its officers, employees, members, guests, customers, and invitees, including, without limitation, injury to or death of any person, damage to or destruction of any property, real or personal (including but not limited to property owned, leased or under the control of Rosen Hotels and Resorts Inc). The undersigned shall not be obligated to indemnify INDEMNIFIED PARTIES for matters arising from the gross negligence or willful misconduct of an INDEMNIFIED PARTY.
