RISERS SUPPLIED BY:	<input type="checkbox"/> Hotel <input type="checkbox"/> Other: _____		
ESTIMATED TIME FOR HOTEL TO DROP MAIN STAGE:	DATE & TIME:		
ESTIMATED TIME FOR HOTEL TO DROP TECH RISERS:	DATE & TIME		
It is Company Policy and it is strictly enforced that risers are not to be stacked or placed on top of each other All risers require railings to be attached on the sides and rear of the staging/risers. Any group requiring the removal of railings must sign a Hold Harmless provided by the group's Convention Services Manager. Note: depending on the maximum number of people that will be on the stage at any given time, Orange County Fire Code may require railings regardless of a Hold Harmless. * Please note that all the riser stairs are equipped with non-removable Security Rails*			
ESTIMATED TIME FOR HOTEL TO SETUP ROOM:	DATE & TIME:		
ESTIMATED TIME FOR THE USE OF THE LIGHTING REMOTE:	DATE & TIME:		
Lighting remotes are available for production use at a fee of \$100.00 per day. An authorized production company representative must sign the Hotel's Lighting Remote Agreement prior to the remotes distribution.			
WILL THERE BE A NEED FOR A FIRE WATCH:	DATE & TIME:		
* Fire Watches for fog/haze machines are only permitted inside Gatlin, Panzacola and Sebastian Ballrooms – not in foyers, breakouts, Butler, Conway or Sandlake.			

The Production Company is required to provide Rosen Shingle Creek an Orange County approved digital CAD drawing of the production/stage requirements 14 days prior to the group's load-in date, as well as a Certificate of Insurance. Productions without CAD drawings and insurance provided to the Hotel will not be permitted to load-in.
